

Command Consulting Group is an international security and intelligence consulting firm that provides advisory services to governments, corporations, and high net worth individuals. Members of the CCG team helped lead the efforts to overhaul and modernize many of the agencies responsible for the security of the United States and implement major reforms in the areas of intelligence and information sharing, technology deployment, and interagency coordination. CCG's solutions help clients meet their unique security challenges and are based on experience gleaned from years of service in leadership positions at the White House, the U.S. Secret Service, the U.S. Department of Homeland Security, the Intelligence Community, the military, and private industry.
